Mr Mohamed MZOUHI

President of the Tunisian National Paralympic Committee

Dear Athletes, Officials, Delegates, Partners and Friends,

It is with great pride and pleasure that I welcome you to the Tunis Grand Prix 2026. This event has once again brought together outstanding athletes and dedicated professionals from around the world in a celebration of excellence, determination, inclusion, and the unifying power of sport.

On behalf of the Tunisian National Paralympic Committee and the Local Organizing Committee, I would like to express my deepest gratitude to everyone who contributed to the success of this competition.

First and foremost, I would like to thank World Para Athletics and its representatives for their trust, guidance, and continued support. Their commitment to the development of para athletics worldwide makes events such as the Tunis Grand Prix possible and contributes to the growth of our sport.

I would also like to warmly thank all participating National Paralympic Committees (NPCs), delegation leaders, coaches, guides, personal care assistants, and support staff who accompanied and supported the athletes throughout this event. Your dedication and commitment are essential to the success of every competition.

My sincere appreciation goes to the international and national technical officials, classifiers, medical teams, competition managers, and all members of the World Para Athletics family whose expertise, professionalism, and commitment ensured that the competition was conducted according to the highest international standards.

I would also like to recognize the invaluable contribution of our volunteers, partners, sponsors, service providers, and every member of the Local Organizing Committee. Their hard work behind the scenes, often unseen by spectators, was fundamental in creating a welcoming, efficient, and memorable event for all participants.

A special thank you goes to the teams responsible for competition operations, technology, communications, and results management, whose dedication ensured the smooth running of the event and provided athletes, coaches, officials, media representatives, and spectators with accurate, reliable, and timely information throughout the competition.

Most importantly, I would like to congratulate and thank all participating athletes. Your determination, resilience, sportsmanship, and pursuit of excellence inspire us all. Through your performances and achievements, you continue to demonstrate the true spirit of para athletics and the power of sport to break barriers and bring people together.

The Tunis Grand Prix continues to strengthen its position as one of the leading competitions on the international para athletics calendar. We are honored to welcome athletes and delegations from across the world to Tunisia and proud to showcase our country's commitment to inclusion, accessibility, and sporting excellence.

As we look back on this edition, we celebrate not only the medals, records, and performances achieved, but also the friendships created, the experiences shared, and the collective efforts that made this event possible.

Thank you for being part of the Tunis Grand Prix 2026. We hope you leave Tunisia with wonderful memories and we look forward to welcoming you again in future editions.

With my highest regards,

Mohamed MZOUHI

OPENNING MESSAGE

Mr Paul FITZGERALD

Head of World Para Athletics

“

The Tunis Grand Prix plays an incredibly important role in the sport of Para athletics. As one of only two Grand Prix in Africa, this is where elite Para athletes shine on the international stage.

Equally important, this competition is also a place to build community and friendship while sharing experiences that go beyond the field of play. In order for athletes to be successful, there is an important "Team behind the Team" of coaches, administrators, officials, classifiers, volunteers, sponsors and suppliers who must also play their part.

In particular, I want to thank the team behind Byrsthos Athletics Management System for their precision, attention to detail, hard work and dedication to record and share all of the amazing achievements of the athletes.

Paul FITZGERALD
